TIME

Time is the one thing that can never be retrieved — but it can be recalled. The purpose of the 1962 Scimitar is to trace the past year's fond memories so that students at L.H.S. may look back and have a vivid and enjoyable record of their 1961-62 year at Lorain High School.

For Seniors, the sand in the high school hourglass has run its course — but there will be another, a lifelong hourglass set before them at graduation. For Underclassmen, now is the time to review past activities and plan for future studies and development, since their hourglass has just begun.

We hope that the 1962 Scimitar will serve to reflect the joys and accomplishments of the year past, and kindle our thoughts in the future.

LORAIN HIGH SCHOOL ALMA MATER

1. On the shores of old Lake Erie
Where the coal and iron meet,
Stands our dear old Lorain High School
Full of joy and mem'ries sweet.
And the spirit that we find there
Growing up so strong and true
Brings us back to the friendships made there
L.H.S. we stand for you.

2. When our days of school are over
And a name we try to make,
Back to us will come those mem'ries
Of the High School by the Lake.
Then we'll long to see the teachers
Who have helped us on our way
Oh, we love you, Alma Mater!
L.H.S. by you we'll stay.

(Chorus)

Lorain High School, Lorain High School
We'll always think of you,
And no matter what befalls us,
Lorain High, we'll e'er be true.

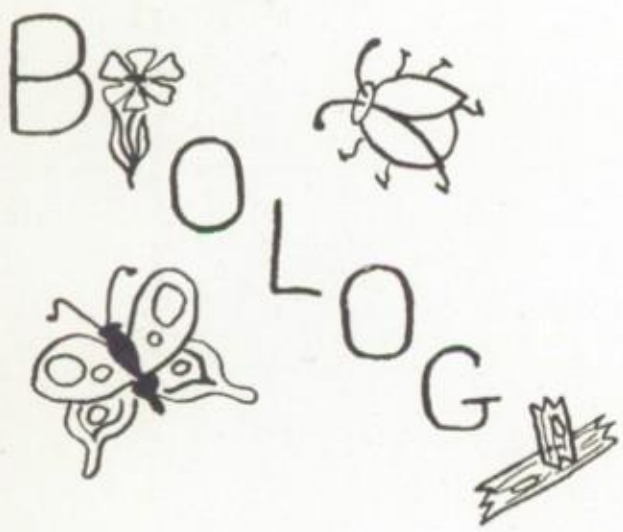
CLASS HISTORY

The morning sun was rising fast
When down the street we Freshmen passed.
Our hair was combed, our faces shone,
Our clothes — the best that we did own,
You see 'twas our first high school day
(We looked as green as Freshies may.)
And though we were quite frightened then,
We bravely thought of bright days, when
As lofty Seniors we'd look down
On Freshmen with a mighty frown.
We struggled through with Freshman Lit.,
In balcony seats we used to sit,
And so on through the first long year,
Razzed by Seniors and filled with fear.



As "Big Juniors," without delay
We taunted the teachers with P.D.A.
Not counting this, the best of all
Was when we loitered in the hall.
But 'twasn't all fun this Junior year,
We still had final exams to fear,
And many other things but still
All this could not our gladness kill,
For, we knew with work and luck we'd pass
To the envied ranks of the Senior Class.

Finally, the wearing of green was o're,
Each found himself a Sophomore.
Geometry, and Caesar, too
And French or Spanish we went through.
Long declamations we prepared
And joined all the clubs we dared.
We razzed the Freshmen, studied bugs,
And copied Seniors' careless shrugs.
Of upper classmen we lost our fear,
And their threats we did not hear.
We thought that we were just as great,
This was a Sophomore's real trait.

The most looked up to folk in school,
With some exceptions to this rule
Parents, teachers, Mr. Holder and all
Didn't smile when our grades did fall,
For when Senioritis first appeared
There'd be no room, it then was feared
For other than we Seniors here.
They were mistaken, never fear.
In assembly front seats we could claim
And at the same time we'd the name
Of being very dignified —
Let this oh Freshman be your guide.

THE NATIONAL HONOR SOCIETY

A goal for many students who enter the doors of L.H.S. is to attain membership in the National Honor Society. When it was established in 1922, it proclaimed:

The purpose of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, promote leadership, and to develop character in American students.

Membership in this Honor Group is therefore based on the four areas: scholarship, leadership, character, and service. A student must excel in all four if he wishes to reach this goal. And once it is reached, it should be cherished.
